2025 SSKC Memberships and Volunteer Fee

We also require you to pay a Volunteer Fee to help run all practice, test and tune, and race days. Those who wish to just show up and race can do so, however we will be charging you an extra fee to do so. In order to cover off your volunteer fee, you are required perform the following duties:

1. Run a minimum of 2 test and tune evenings in which you are not driving or participating (Credit 3 hours per event)
2. Flag at least two race days in which you are not racing. (Credit 5 hours per event). Assist in track set up before and after racing. (credit 1 hour per event). Perform club duties as approved by Executive.
3. All advertising space sold will be credited at \$.50 for every dollar raise for the club. Example: 1 fence line advertising space sold for \$450 will get you a credit of \$225 towards your volunteer levy. This does exclude the base of 20 tickets per driver for the raffle.

“Please note, you can have a family member perform these duties on your behalf as approved by the Executive”
Example, you could have your spouse flag for you at a race day!
