

Marketing Plan Sponsorship Proposal 2026

Dear Sponsor,

The South Sask Karting Club (SSKC) is a non-profit sporting organization dedicated to providing individuals with safe, affordable, and competitive karting opportunities in Saskatchewan.

With the rapidly growing popularity of open-wheel racing in Canada, our membership has grown. Our club has grown to include more than seventy local competitors, representing a wide demographic. Another element of our club is our race events that can exceed hundreds of attendees. This includes mechanics, family members, and devoted fans. To support our membership and continue to provide an affordable racing experience, SSKC offers unique sponsorship opportunities to local businesses.

Sponsorship is focused on helping with the safety and enjoyment of competitive karting. It is also a key factor in the organization, race events, and infrastructure at our club. The SSKC has increased membership and event attendees. This is why we are dedicated to investing in new infrastructure that will create a distinctive racing environment. Not only does sponsorship assist with infrastructure, but it also helps with the unique events held. These events are designed to support all the racers at our club. However, they are also designed to focus on the development of the younger generation of members, which is reflected in the *Junior Sponsorship* opportunity. We strive to create an environment that is welcoming to provide an experience for all to enjoy. As well as having a competitive karting experience that brings value to your business and brand.

South Sask Kart Club Fast Facts

- **70 members in 2025 and expected to grow by 10% in 2026.**
- Scheduled to hold 11 race days in 2026, including the annual Sask Series event.
- 60% of the people at SSKC events are between 25 to 50 years of age.
- A large percentage of our club members or their family members compete or participate in a car club or car racing series.

- Most of our club members are hands-on participants; they work on and prepare their go-karts.
- The SSKC has a wide range of ages that take part in karting. Our youngest racers are 7 years old, and we have club members who race well into their 60's and even 70's.
- Race days draw as many as 70 drivers, with mechanics, family members, and fans, attendance at our event regularly exceeds several hundred people which provides a great platform for potential customers to your business.
